TANZANITE

## LOOSE TANZANITE

Tanzanite is a rare gem, unique to Africa with only one mine in the world. Famous for being a thousand times rarer than a diamond, Tanzanite is viewed as an investment stone. We carry one of the largest ranges of the highest quality Tanzanite, all independently certified by recognised Gemological institutes.

# A N I T E

## TANZANITE JEWELLERY

With an exceptional range of Tanzanite Jewellery, handcrafted by our master goldsmiths, you'll be spoilt for choice with our variety of rings, earrings, necklaces and pendants.

# DIAM

## LOOSE DIAMONDS

As one of South Africa's largest wholesale diamond merchants that are internationally recognised, our diamonds are direct from mine to market. We offer the largest range of loose certified diamonds with a large variety of cuts, grades and sizes.

Each stone is independently certified.

# ONDS DIAMOND JEWELLERY

The Diamond Gallery offers you a wide selection, unique designs and a variety of diamond options to add to your collection. Each piece has been carefully designed by our exceptional master goldsmiths.
